Frequently Asked Questions

What are the most important things I should know about riding a bike?

Safety First! Always obey the rules of the road. Obey all traffic signals, signs and laws. Get in the mindset of "driving" your bike — not just "riding" your bike. This will help you to be a more focused and legally compliant bike rider.

How can I know if my helmet is old and I need a new one?

My bike has been in storage. Is it safe to ride?

What rules should I follow when riding my bike?
